NASHVILLE UNION

THE NASSYMAN USIGN was commenced a few weeks since, for the purpose of opposing the Rebei Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede, \$11 holds as friends all who support, and as foca all who oppose the Union of the States. It has no watchword but FREEDOM AND NATIONALITY.

With rebels and traite has no compromise to make. It contends for the Federal Constitution and -the Laws made in pursuance thereof as the Surgans Law or run Lann, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crusking out the rebellion and restoring the Union must perish, no matter by what name it be

To the people of Tennessee, over renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perdiens Governor and corrupt Legislature, and whe have felt so heavily the awful curse of treason and anarchy, we appeal for support. Let the names of rebel office-holders, Vigilance Committees, and Minute Men, who have filled our borders with mourning, be gibbetted before the world. Let those ambitious and avaricious men who have plotted our ruin for their own aggrandizement be fastened to the pillory of shame, no matter how high their position in society. Let it be shown how the self-styled defenders of "Southern Rights" are now leading marauding bands of free-hooters and moss-troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the Southern conspirators, now circulate freely through every neighborhood and our cause wi I assuredly triumph. Will not loyal men everywhere aid us in the dissemination of facts and the advocacy of Free Government?
